Dear Parents/Carers,

RE: Ofsted Inspection of Crudgington Primary School.

As you will be aware, Ofsted inspected Crudgington Primary School on the 14th of February 2017. We have pleasure in enclosing a copy of the letter received from Ofsted. Furthermore, we are pleased to confirm that the school has been rated as a **“Good”** school.

We are thrilled that the children’s passion and commitment to learning has been recognised in the report alongside the positive and supportive environment across school.

“The children are central to the school’s work and this is reflected in the happiness and enthusiasm shown by all those in your care. You have created a school environment where every success is celebrated and the children show a great love of learning. This is evident from the joy that the children show in sharing their work and achievements.” Ofsted 2017

As ever, such a rating is only brought about by the hard work of children, staff, parents and governors. The inspection judgement serves as a positive validation of all our effort within the school community.

Thank you for your continued support.

Yours Faithfully,

Mr A Ames
