Dear Parent/Carer,

### RE: End of Academic Year

We have reached the end of another academic year and I think it is safe to say that it has been a year unlike any other!

Although there have been missed school days and an uncertain picture, there have been many significant achievements that the school community can feel proud of.

The support for home learning and input by families has been exceptional during the school closure. All of the school staff have enjoyed seeing the work completed online and as part of the daily class learning tasks. Everyone at school would like to pass on their thanks for your support with your child's education during this difficult time.

We have been fortunate enough to be able to offer critical worker care inclusive of all holidays. This was only made possible due to staff sacrificing holiday time in the support of our families. I am exceptionally grateful to each and every member of staff for their hard work, determination and unwavering commitment to the children and families of our school.

Our Year 6 are all set for their move to secondary school and enjoyed their last few days in class with Miss Parsons and Mr Gaymer before breaking for the summer. They have been fantastic ambassadors for the school and have really set the standard for hard work and determination. As ever, the Friends of Crudgington have been fantastic and made sure that the Year 6 children left with a brilliant year book full of memories – even as far back as Reception!

Our Y5/6 football team have been named the joint Shropshire champions this year (unfortunately the final could not be played) this is a great achievement for the school team. As a small school, progress in these competitions can be especially challenging, but our team coped with ease.

Even through this difficult period of time, the support for each other and the school community has been exceptional in every respect.

I would like wish everyone a restful summer and a well-deserved break. I am sure that I speak for all staff when I say that we are really looking forward to welcoming you all back to school in September.

Yours faithfully,

Adam Ames
